# PRESIDENTS MESSAGE

APRIL 2002

## Greeting Fellow NUTS:

**TO TREAT A SNAKEBITE**, do not make any cuts on the area and do not try to suck out any poison. Just put a compression bandage above the bite and get the victim to a hospital. This is just one of the new first aid techniques that Claude Lamph recommended at our last meeting. We are thankful for his many suggestions for safe desert outings.

**THIS MONTH SCOTT SANDERS** will talk about Titanic collectables. (There is actually a Titanic Club) Scott has a coin and card shop at 236 25th street in Ogden. He will tell us about his personal collection.

**WE ARE PLANNING** to have our club hunt at Frisco, Utah on Memorial Day weekend. Long time NUTS members will remember our yearly club outing to Frisco. Many fabulous items were found there. It is on private property and lately the sheriff has been discouraging trespassers. We currently have verbal permission for a club hunt on Memorial Day weekend and we expect to have the necessary written permission before we go. We will have more details at the April meeting.

**DO NOT FORGET TO BRING** your finds of the month. (I forget mine last month)

See You At The Meeting  
Karen
